## B) COMPrensione DI TESTI SCRITTI

### Esercizio 1

Leggi il testo, che parla di una ballerina di nome Stephanie. Rispondi alle domande dando risposte BREVI. Segui l'esempio 0.

## THE DANCER

18-year-old Stephanie tells us about her favourite hobby.

I love dancing. This is something I want to do all my life. I do ballet every morning, but I like to dance jazz the most. I love dancing because it makes me feel free.

Ballet is the basics for all types of dancing. It is a beautiful sport, but you need to have a lot of money to do it. A tutu or a ballet skirt costs more than 1,500 euros. Dressmakers very carefully make every ballet skirt. You can't buy it in every shop.

0. **What** is Stephanie talking about?

*Her hobby.*

1. **What** is her favourite kind of dance?

---

2. **Who** makes tutus?

---

I always say that practice makes perfect. Dancers have to practise for hours and hours from Monday to Saturday but not on Sundays. There are times, I don't feel like going to practice but I know that I have to. The more you practise, the better you are.

School takes up most of my time. The study is not very easy so I don't have much time to do anything else. After the morning ballet practice, I have lessons till 3 pm and then I eat a small meal in the canteen. My afternoon dance practice starts at 4 pm and usually lasts two full hours.

N 2 3 1 2 4 1 2 1 1 0 7

3. **Which day** do dancers have free?

---

4. **Where** does she usually have lunch?

---

After dinner, I study for exams. Normally, I go to sleep at 11.30 pm. So, my days are really busy. Some Sunday afternoons I go to the cinema at 5 o'clock. I love watching action films.

When I am forty, I want to teach children how to dance. Who knows? If the children practise enough, they can become members of the Royal Ballet, Britain's most famous ballet company. Only the best dancers can do that.

5. **What time** does she usually go to bed?

---

6. **What** does she want to be when she gets older?

---

**Sniffy**, a tiny little piglet, is an early bird. Hmm... well, he is not really a bird. He is only a baby pig. He wakes up very early. He gets out of his bed and starts talking and walking with a big smile on his face. He likes this time of the day.

His best friend, **Woolly**, is quite the opposite. He is a lazy little lamb. He likes to stay in his cosy little bed. He sleeps there like a big bear until the sun is up in the sky. He stays up late into the dark night talking and talking. But what does Woolly like to discuss? Does he talk about school, sports, his hobbies? No, of course not. Woolly mostly talks about tasty leaves, grass and apples. Delicious snacks are his favourite topic.

Sniffy and Woolly live on a farm. Toby, the farmer, likes his animals to walk around, to eat good food, to be happy and to be free. But he worries that they don't escape into the forest where the wolf lives. He is afraid that the big bad wolf might eat his animals. When **Wolfy**, the wolf, wants to scare the farm animals, he comes out of the forest. Then he comes near the farm. He covers himself with leaves and hides in the bushes close to the farm.

There is another animal living on the farm, **Grouchy**. Oh, Grouchy can be angry sometimes. He is a very unfriendly, old goat. He often scares the wolf with his huge horns. Grouchy even kicks farmer Toby with his hoofs sometimes. Grouchy doesn't really like anybody. But sometimes Grouchy says "Hello" to **Henny**, the old, friendly hen living on the farm. She is as sweet as pie, and she never shouts.

When all the animals are awake, it's feeding time. It is a simple life but they are all very happy.
